Professional Experiences

Geekster | Technical Assistance   **June/2024- present**

Mern Developer

- Mentored 50+ students in Full Stack technologies, achieving a student satisfaction **rating of 5/5 by resolving over 200+ technical queries and challenges**.
- Developed engaging curriculum and hands-on projects using Full Stack technologies like React, Node.js, Express.js, MongoDB, and Tailwind CSS. Enhanced student proficiency and job placement success by focusing on front-end and back-end development, state management, and database design.

Projects

Job Post[Github-Link] [Hosted-Link]

- **Architected** a **highly responsive** user interface utilizing **Tailwind CSS** and **Shadcn**, achieving a remarkable **98% user satisfaction rate**. Designed and implemented a **card-based layout** to enhance **visual appeal** and **usability**, ensuring **seamless cross-device compatibility** across various platforms and screen sizes.
- **Developed** a **robust job posting** and **candidate search system**, leveraging a **RESTful API** for **dynamic data retrieval**. Implemented **comprehensive filtering options**, significantly streamlining the **job search process** and **increasing search efficiency by 60%**.
- **Tech Stack: React, Redux, Tailwind CSS, Shadcn, React Router , Axios, Node.js, Express.js, MongoDB**

Grocery App [Github-Link] [Hosted-Link]

- Created a cutting-edge web application that revolutionized online grocery shopping and saw a 30% boost in user engagement. Facilitated easy product browsing, selection, and payment for consumers with the use of a simple user interface (UI) made possible by React and Tailwind CSS, guaranteeing a smooth and responsive experience on all devices.
- Firebase was used to provide a strong backend that reduced checkout times by 40% by allowing for safe user authentication and effective real-time shopping cart management.
- **Tech Stack:React, React Router, Redux (state management), Firebase (backend services), RESTful API, Material UI, Tailwind CSS**

Skills

- **Computer Language** : Java, JavaScript
- **Frameworks / Libraries** : ReactJS, NodeJs, MongoDB, ExpressJS, Tailwind,Razorpay, Redux
- **Additional Courses** : Data Structure and Algorithms
- **Tools & Technologies** : GIT & Github,VScode,Firebase

Education

Year	Degree/Examination	Institution/ Board	CGPA/Percentage
2023	B.Tech	ITM Gwalior	8.1 CGPA
2019	12th	MP Board	5.4 CGPA
2017	10th	CBSE Board	7.6 CGPA

Achievements and Co-Curricular Activities

- **Hackathon 1.0:** Recognized for outstanding achievement in the State Level Hackathon 1.0, exhibiting sophisticated problem-solving abilities and productive collaboration in a competitive setting.
- **Geekathons Leadership:** Led and mentored a team through Geekathons, fostering innovation and collaboration, while driving collective growth and skill development among junior team members.
